Directions:

1. Empty the packet of gelatin into a bowl and add 3/4 cup of boiling water mix until gelatin is completely dissolved.
2. Add salt.
3. Then pour the liquid soap into the gelatin mix.
4. Add 2 drops of food coloring.
5. Add 5 drops of fragrance oil (paying attention to IFRA recommendations) and stir it softly so it doesn't bubble too much.
6. Pour the mix into a clean container and allow to set for several hours in the refrigerator.
7. Dispose of the jelly after several weeks.
8. Avoid mold by keeping it in an airtight container in a cool place at all times.
