## Directions:

### 1. Prepare the chunky portion of your lip balm:

- A. Measure out 1 oz. of Natures Garden Natural Lip Balm Base.
- B. Melt Lip balm in the microwave in 30 second increments until it is completely melted.
- C. Add 2 drops of Red Hot Momma Lip Balm Tint Coloring from Natures Garden. Mix well.

### 2. Prepare the white portion of your lip balms:

- A. Measure out 1 oz. of Natures Garden Natural Lip Balm Base.
- B. Melt Lip balm in the microwave in 30 second increments until it is completely melted.
- C. Add 1 ml. of Strawberry Sorbet Flavoring Oil. Mix well.
- D. Add a very small amount of stevia. Mix well.
- E. While this mixture is still in liquid form, pour into the white lip balm containers, making sure not to completely cover the colored chunks.
- F. Allow lip balms to set up at room temp.
