

# Coffee Melt & Pour Soap

## Makes 2 lb Batch

29 oz Melt & Pour Soap Base

7 grams Cocoa Butter

13 grams Room temp coffee

24 grams Coffee grounds

24 grams [Natures Garden's World's Best Coffee  
Fragrance Oil](#)

- Dice the Melt & Pour Soap Base in a Microwave proof bowl
- Add cocoa butter and stir to combine well.
- Pour the Coffee into the liquid soap base.
- Add Fragrance Oil and stir well
- Add coffee grounds now  
(you might have to reheat some, but not too hot or coffee grounds will sink)
- Pour soap into molds when grounds are suspended through soap base, and allow to cool and set completely.
