### Ingredients

[Natures Garden Odor Eliminator Base](#)  
[Natures Garden Fresh Pear Fragrance Oil](#)  
[4 oz. Aluminum Bottles](#)  
[Black Sprayers](#)

### Equipment

Stainless Steel Measuring Cups  
Pyrex glass container with spout  
Stainless Steel Measuring Spoons  
Metal Spoon

## Directions:

**Step 1:** Shake gallon of Odor Eliminator base.

**Step 2:** In a large Pyrex bowl with spout, mix 2 cups of Odor Eliminator Base and ½ oz. Natures Garden Fresh Pear Fragrance Oil. Mix well.

**Step 3:** Pour mixture into aluminum bottles, and place sprayers on bottles.

**Note:** You may use any Natures Garden Fragrance Oil for this recipe. However, if you will be using this as body spray, you need to make sure that the fragrance oil is considered body safe.
