

## RECIPE

# Solid Glittered Perfume

Solid perfume with an added shimmer!

*Recipe makes approximately 20  
solid perfumes.*

## What You Need:

### Ingredients

[Natures Garden Natural Lip Balm Base](#)  
[Natures Garden Pink Sugar Fragrance Oil](#)  
[Clear Jar/White Lid 10ml.](#)  
[Clear Jar/Natural Lid 10 ml.](#)  
[Mica Pigment](#)  
[Pipettes](#)

### Equipment

Stainless Steel Measuring Spoon  
Stainless Steel Measuring Cups  
Stainless steel spoon

## Directions:

**Step 1:** Melt 1/3 pound Natures Garden Natural Lip Balm Base in a microwave; 30 second intervals at a time until it is completely liquid.

**Step 2:** Add 1 Tablespoon Natures Garden Pink Sugar Type Fragrance Oil. You are free to use any body safe fragrance in this recipe, but always review the IFRA guidelines for each fragrance you choose. These guidelines are listed on our website for every fragrance we sell.

**Step 3:** Add ¼ tsp. of mica pigment, and stir.

**Step 4:** Quickly fill your containers using a transfer pipette.

**Step 5:** Allow solid perfume to set up at room temperature.
