[Your Choice FUN Soap Colorant](#)

[Natures Garden Body Safe Fragrance Oil](#): Refer to specific IFRA Maximum Usage Sheet for any fragrance you choose to use.

[Fun soap mold](#) or cookie sheet & cookie cutters

1: Melt your soap in the microwave.

This should be done in 30 seconds bursts.

2: Mix your oil with the melted soap and stir until blended. The mix should still be liquid at this point. If it starts to thicken pop back in the microwave for a few seconds until your soap & oil mix is liquidy.

3: Add color to your liking and mix thoroughly.

4: Add 20 drops of fragrance oil and mix thoroughly.

Solid Exfoliating Sugar Scrubs

5: Add your sugar and stir well until completely blended.

6: Spoon into your mold cavities. It should be thick but still pourable at this point. If it is too thick you may heat for a few seconds in the microwave, but don't heat it for too long as the sugar will melt.

7: Let harden to room temp and pop out of mold.

8: If using a cookie sheet pour out and let get firm, then using a cookie cutter to make designs.

Store in an airtight container or wrap in plastic wrap tightly until you are ready to use them.
