

# Strawberry Milkshake Bath Bomb Recipe

## Basic Bath Bombs

We have had so many requests for this it just had to be done! Bath Bombs are an incredibly simple recipe that can be tweaked and added to in so many way, that we will give here just a simple straight forward recipe. That way you can play master creator afterwards! Bath Bombs do not always have to be made in the traditional round shape. They can be molded into practically anything! many of your smaller soap molds can be used to create attractive Bath Drops and make lovely gifts!

## Ingredients:

2 cups Baking Soda  
1 cup Citric Acid  
Water or Witch Hazel in a spray bottle  
[1/2 oz. Strawberry Shake Fragrance Oil](#)  
[A few drops Cosmetic Safe Colorants](#)

## Optional ingredients

Skin loving oils or butters  
Floral or herbal petals and such  
Mineral clays

Mix together 2 cups baking soda and 1 cup citric acid. Add ½ oz. Strawberry Shake Fragrance Oil, and a few drops of cosmetic safe colorants.

Carefully drizzle into this mixture a few ml of favorite oils or butters (optional). keep hands stirring while adding ingredients to keep from clumping. Now begin to spray mixture in small amounts, like 1 or 2 sprays and mix quickly. Keep doing this until it reaches a point that you can squeeze it in your hand and it holds a form; But not so wet that it fizzes. Now press into your molds and let dry 24 hours before using.
