A Mother Loves

A Mother loves right from the start.  
She holds her baby close to her heart.  
The bond that grows will never falter.  
Her love is so strong it will never alter.

A Mother gives never ending love.  
She never feels that she has given enough.  
For you she will always do her best.  
Constantly working, there's no time to rest.

A Mother is there when things go wrong.  
A hug and a kiss to help us along.  
Always there when we need her near.  
Gently wipes our eyes when we shed a tear.

So on this day shower your Mother with Love.  
Gifts and presents are nice but that is not enough.  
Give your Mother a day to have some peace of mind.  
Be gentle, be good, be helpful, be kind.

A Mother
A Mother is one who understands the things you say and do

Who always overlooks your faults and sees the best in you

A Mother is one whose special love inspires you day by day.

Who fills your heart with gladness in her warm and thoughtful way.

A Mother is all these things and more - the greatest treasure known.

And the dearest Mother in all of the world is the one I call my own

MOM
You were there when I got hurt
To kiss the pain away
And always made things better
So I could go and play

When I started school that first year
You walked with me every day
And helped me shed the fears I had
That my world had gone away

Every year as I grew older
And ventured out away from home
I knew you’d always be there
No matter how far I’d roam

The years have gone by so quickly
And things have changed for us all
But the love I still have for you Mom
Is the same love as when I was small

Everything Mom

How did you find the energy,
Mom
To do all the things you did,
To be teacher, nurse and counselor
To me, when I was a kid.
How did you do it all, Mom,
Be a chauffeur, cook and friend,
Yet find time to be a playmate,
I just can’t comprehend.
I see now it was love, Mom
That made you come whenever I'd call,
Your inexhaustible love,
Mom
And I thank you for it all.

If I Knew As A Child

If I knew as a child what I know now, Mom,
I probably wouldn't have made things
so hard for you.
I would have understood
that you were looking out for my best interest.
even though it may not have seemed so at the time.
I would have known how difficult it is to let go,
to stand back and let someone you love
learn from their mistakes.
I would have realized
how fortunate I was to have a mother
who was always there for me,
even after an argument,
even after I'd said things
I shouldn't have.
While it's too late for a lot of things
it's not too late for me to tell you
that I appreciate how loving you are,
how giving you've always been
and that even though
I may not always be good at showing it,
I love you very much.

A Sonnet for My Incomparable Mother

I often contemplate my childhood, Mom. I am a mother now, and so I know Hard work is mixed together with the fun; You learned that when you raised me long ago.
I think of all the things you gave to me: Sacrifice, devotion, love and tears, Your heart, your mind, your energy and soul-- All these you spent on me throughout the years.
You loved me with a never-failing love You gave me strength and sweet security, And then you did the hardest thing of all: You let me separate and set me free. Every day, I try my best to be A mother like the mom you were to me.
